Travel time per hour	Travel cost per km
R 200.00 (excl VAT)	Charged per King or Queen R 5.00

Please note that travelling costs are calculated from our offices in Cape Town city centre and Parkhurst, Johannesburg. Travelling is charged at R 5.00 per km as per AA rate and R 200.00 per hour.

Our experience dictates that an Oyster King can serve approximately 80 – 100 oysters per hour.

Should the Kings and Queens be required to work longer than originally scheduled, overtime will be charged. There will be 15 minutes of grace period, thereafter R 250.00 will be charged for every 15 minutes or part thereof.

Please note that your King's attire can be tailored to your event, at an additional cost.

For Bubbly Queen, should a glass break, an additional fee of R 50 per glass will be added to the bill.

Please note that an event can only take place once your invoice has been paid in full.

Please note prices are subjected to change.
